Obituary.

Died, at the residence of Nicholas Owens, west of Yale, on January 19th, 1894, Lyman Vanorman, at the age of 78 years. The funeral services were held at the M. F. church on Sunday, conducted by Rev. Perkins. Deceased was born in Odell town, L. C., in 1816, and in 1838 he was married to Louisa Curtis. In 1857 he moved to Brockway and about three years ago he moved to this village. There are four children, Mrs. William Strong and Mrs. Nicholas Owens, of Yale, Henry Vanorman, of Evergreen, and Mrs. John Davis, of Petersburg, Virginia. For fifty-six years Mr. and Mrs. Vanorman had lived together and not a death occurred in the family during that time. The aged wife and four children, besides a large circle of friends mourn his loss.

A Note for Sunday Schools.

At the annual meeting of the St. Clair County Sunday School Association, held in the ninth ward, Dec. 7 and 8, was resolved that every school in the county be requested to give the whole of the collection taken on the first Sunday in February to the State Sunday School Association. No better use could be made of Sunday School funds. No greater Christian service can be done than giving part of our store for the upbuilding of Sunday Schools in the northern part of this state, where want and misery are being felt and where assistance is urgently needed to establish and maintain Christian schools in our land.

Every Sunday School superintendent in the county who reads this notice is requested to send the collection of Feb. 4th to Mrs. H. W. Robertson at St. Clair, or to G. M. Granger, Port Huron, who will forward the amount to State Treasurer W. S. C. Reid, of Jackson.—Port Huron Daily Times.

Last Notice.

The undersigned wishes to say to those indebted to him that he would like to have them call and settle their accounts before the 1st of February, and save costs. For the convenience of many in this section he has made arrangements with J. A. Menzies at the Expositor office to receive what is due and receipt for same. 38-2

SPOT CASH DEALERS.

Just Think of It.

How desperate some people get when others say "NO."

But it has come to such a point in the business affairs of a great majority of tradesmen in this country as well as all others that this great system of credit has got to come to a close.

CASH! On the spot if once established among our American people would be one of the greatest revolutions for the betterment of the conditions of this great people of ours and would save the good name of many an honest struggling man.

NO is the only word that has been the means of saving a great many dollars and making a fortune for some people—business men must buy their GOODS for cash and get the benefit of Low Prices and Small Profits for Cash, and then our customers will reap the benefits if honestly dealt with.
